Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is in response to an Office Action made "final" and mailed 9 July 2002, time for response to which was set to expire 9 October 2002. A petition for an extension of time of one (1) month until 9 November 2002 is attached hereto, along with the required fee. This Reply is thus believed to be timely.

Pending claims 12-22 were rejected. Careful consideration has been given to the grounds for rejection, and the following amendment and discussion are offered in response.

Reconsideration is respectfully requested.
